No school Cross  
Creek
- \*Oct 31  
1/2 day Kentwood

## October is Fire Prevention Month

October 11th we will have a special guest, Nozzle the Fire Hose coming to share with the students about Fire Safety. Please talk at home with your children about the importance of fire safety.

Make a home meet up plan in case of a fire and check you smoke detector batteries!

## Fall Picture Day

October 17 & 18 Explore & Grow will be hosting school pictures by McConomy Photography. All students will be photographed.

After photos are processed families will receive an order form with a photo proof. Many family friendly packages are available to select from. McConomy is a local photographer who gives back 10% of all proceeds to the organization!
